

and the program of instruction in the subject matter to be taught.

(2) Designation by the District Manager as approved instructors to teach specific courses, based on their qualifications and teaching experience outlined above. Previously approved instructors need not be re-designated to teach the approved courses as long as they have taught those courses within the 24 months prior to the effective date of this part.

(e) The District Manager may revoke an instructor's approval for good cause. A written statement revoking the approval together with reasons for revocation shall be provided the instructor. The affected instructor may appeal the decision of the District Manager by writing to the Administrator for Coal Safety and Health. The Administrator shall issue a decision on the appeal.

(f) Upon request from the District Manager, the operator shall provide information concerning the schedule of upcoming training.

(g) A record of training of each team member shall be on file at the mine rescue station for a period of 1 year.

§ 49.19 Mine emergency notification plan.

(a) Each underground mine shall have a mine rescue notification plan outlining the procedures to follow in notifying the mine rescue teams when there is an emergency that requires their services.

(b) A copy of the mine rescue notification plan shall be posted at the mine for the miners' information. Where a miners' representative has been designated, the operator shall also provide the representative with a copy of the plan.

§ 49.20 Requirements for all coal mines.

(a) The operator of each underground coal mine shall make available two certified mine rescue teams whose members—

(1) Are familiar with the operations of the mine, and

(2) Participate at least annually in two local mine rescue contests.

(b) Team members shall meet the following:

(1) *Mine-site team.* Members who work at the mine and participate in mine rescue training at the mine at least annually at large mines and at least semi-annually at small mines.

(2) *Composite team.* A mine rescue team that covers multiple mines and whose members—

(i) Include at least two members from each covered large mine and at least one member from each covered small mine,

(ii) Are knowledgeable about the operations and ventilation of each covered underground coal mine, and

(iii) Participate in mine rescue training at each covered mine at least semi-annually.

(3) *Contract team.* A mine rescue team that is provided by an arrangement with another coal mine or with a third party and whose members—

(i) Are knowledgeable about the operations and ventilation of each covered underground coal mine, and

(ii) Participate in mine rescue training at each covered large mine at least quarterly and at each covered small mine at least semi-annually.

(4) *State-sponsored team.* Members who are state employees and participate in mine rescue training at each covered mine at least annually at large mines and at least semi-annually at small mines.

(c) For the purpose of mine rescue team membership, a member employed by an operator of multiple mines is considered to be an employee of each mine at which the member regularly works.

(d) For the purpose of mine rescue team training at each covered mine, a portion of the training must be conducted underground.

[73 FR 7648, Feb. 8, 2008, as amended at 74 FR 28609, June 17, 2009]

§ 49.30 Requirements for small coal mines.

At mines with 36 or fewer underground employees, mine rescue team members shall be knowledgeable about the operations and ventilation of each covered mine.
